DPS SOCIETY:

Nurturing a
nation's talent

VISION

- We aim to preserve and enhance the highest standards of excellence and prepare generations for the 21st century.
- DPS students are helped to master the expanding horizons of technology has also become the repository of a deep commitment to Indian ethos and culture in its pristine form.
- DPS students are equipped to access the best opportunities of growth and advancement by being prepared linguistically and culturally for them. The concept of enlightened citizens of the world will be the backdrop of all their endeavours.
- DPS Students are carefully sensitized to environmental concerns, the feeling of nationalism and communal harmony.
- We understand the contemporary challenges of education and commit to fulfilling collective responsibilities towards children in the country.

The Background

The foundation of Delhi Public School was first laid at its Mathura Road school in New Delhi by Dr. S. Radhakrishnan, the former President of India in 1949. The DPS society enjoys a rich experience across six decades of providing education to a wide community and contributing to individual and national progress. The DPS movement has touched the lives of millions of students, not just in India, but across the world, with more than 200 schools.

Today, every student of DPS Durgapur, studies with the feeling of pride that stems from the rich history that the school is committed to uphold.

OMDAYAL GROUP:

*Sowing Knowledge.
Empowering Citizens*

OmDayal Educational & Research Society was conceived with a vision to usher in a new era of education in Eastern India, especially Bengal, by introducing latest teaching techniques and providing the best facilities for the spread of education. First with DPS Ruby Park, Kolkata (one of the most sought CBSE schools of the metropolis), and then with DPS Durgapur, OmDayal Group has established itself as one of the visionaries of school education in Bengal. Raising the bar higher in higher education, the group has been successfully running OmDayal Group of Institutions - Engineering and Architecture College. With unflagging zeal, complete dedication and continuous improvements, OmDayal Group endeavours to secure a bright future for the students.

PRE-PRIMARY:

When learning is a fun activity

When you enter DPS Durgapur and see the tiny tots, the first thing that will strike you as a happy school. Smiling faces, lots of laughter and of course, innocent yet mischievous faces.

The pre-primary wing at DPS Durgapur starts with Nursery. It is a vibrant centre where innovation is reflected by the colourful set-up and thematic approach in teaching and design. Our bright and cheerful classrooms – home not more than 36 young cuddly citizens, are housed at the sunniest and much airy part of the school premises. Our loving teachers assist the children in taking the first steps towards the world of learning.

We believe that children are active learners, explorers, experimenters and artists. So, the young impressionable minds are provided with a rich, meaningful and balanced curriculum based on the development of the 'Essential Skills' and 'Multiple Intelligence'. The system stresses on the importance of providing wings to our little scholars.

PRIMARY:

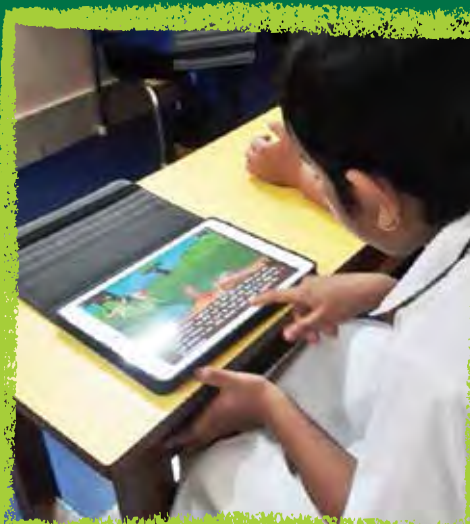

*When your child watches
and emulates*

At the Primary School, we believe that every child is an individual and that by nurturing their uniqueness through play and creative expression, we encourage them to grow and blossom into confident and enthusiastic learners.

Our approach is hands-on - activity-led approach and our school makes it so. This facilitates the early development of a child's linguistic, creative, numerical, motor, kinesthetics and interpersonal as well as communications skills.

With lots of space, our huge campus provides facilities for lots of activities - outdoor and indoor ensuring that learning at DPS Durgapur is always fun.

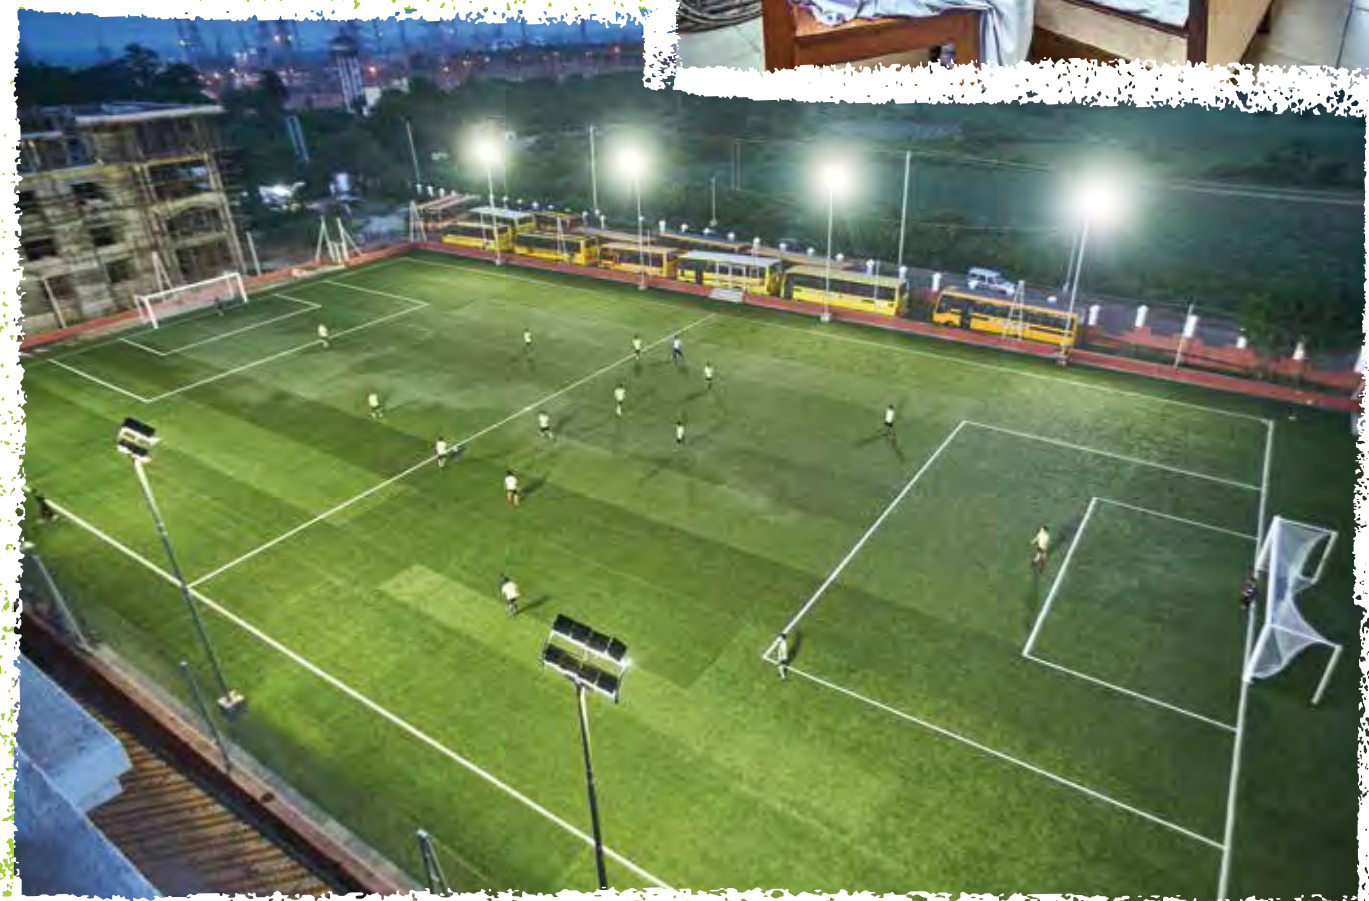

iPAD & COMPUTER LABS: In step with the times

'Computer technology is so built into our lives that it's part of the surround of every artist.' Reflecting on this viewpoint, technological development is fostered in a child at DPS Durgapur right from the Pre-primary level. The modern iPad and Computer Labs of the school combines technology with technique, facilitating computerised learning for all. The two labs are well-resourced, with high-speed servers and latest educational software, to hone the technological expertise of each student, under the able tutelage of experienced and knowledgeable teachers.

INFRASTRUCTURE:

Our strength, students' advantage

'Excellent infrastructure is one of the most prominent keys to imparting quality education.' A school building should be made with planning and love, and not just bricks and stone.

Spread over 5 acres, the campus of Delhi Public School, Durgapur, with its grand Victorian structure, is spacious, purpose-built, safe and highly conducive to learning. The second abode of a child is made comfortable by the blend of various infrastructural components which include:

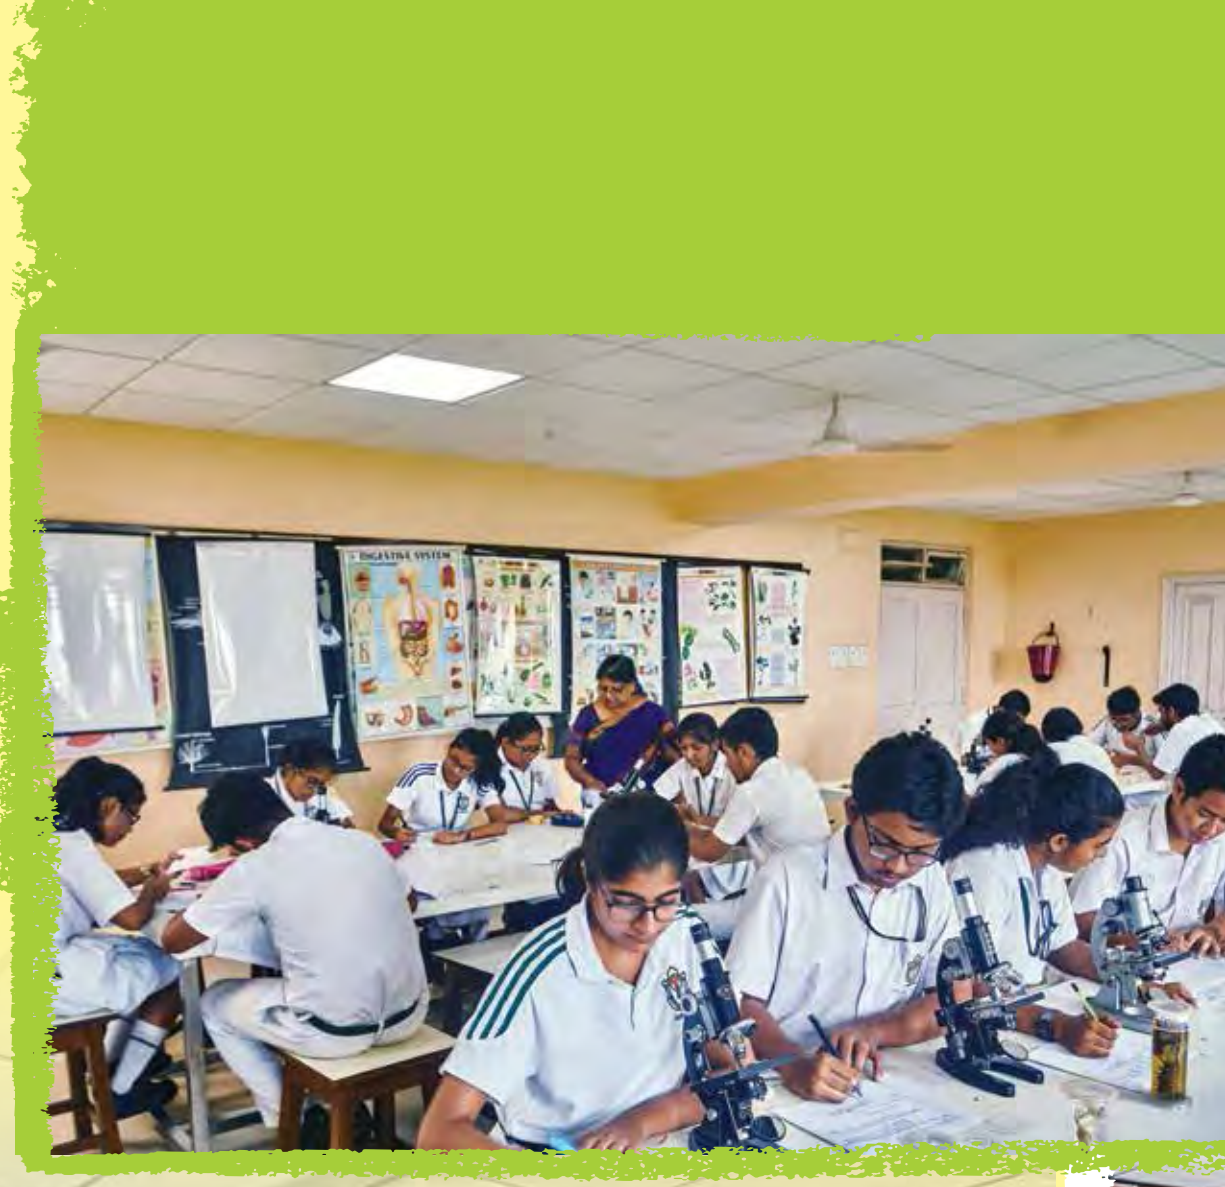

- ◆ Airy Spacious Classrooms
