Indian Institutes of Science Education and Research

(Autonomous Institutions Established Under Ministry of Education, Govt. of India)

Indian Institutes of Science Education and Research (IISERs) was established by the Government of India to integrate and promote interdisciplinary science education and research. Over the years, the IISERs have been successfully attracting talented young minds. An overarching goal of the IISERs is to enable students to shape the nation by inventing and implementing sustainable solutions for societal problems through research in science.

BS Programme, BS-MS Programme

- Biological Sciences
- Chemical Sciences
- Earth & Climate Sciences/Earth & Environmental Sciences
- Economic Sciences
- Engineering Sciences (Chemical Engineering, Data Science & Engineering, Electrical Engineering & Computer Science)
- Geological Sciences
- Integrated & Interdisciplinary Sciences (Biological Sciences, Chemical Sciences, Mathematical Sciences, Physical Sciences)
- Mathematical Sciences
- Physical Sciences

Why join IISER BS and BS-MS Dual Degree Programs?

- Highly competent and motivated faculty with passion for teaching and pursuing research in frontier areas of science.
- Curriculum with a focus on both breadth and depth in the natural sciences, engineering sciences and economics.
- Exposure and access to world-class research facilities right from the start of the program.
- Classroom learning integrated with research, providing ample scope for interdisciplinary activities.
- Research internships and year-long research projects leading to MS thesis with opportunities for interdisciplinary research.

Admission Process

Admission Channels:

- 1. Kishore Vaigyanik Protsahan Yojana (KVPY) Channel
- 2. Joint Entrance Examination (Advanced) of the Indian Institutes of Technology Channel
- 3. IISER Aptitude Test (IAT) Channel
 A candidate can apply through any one or two or all the three channels, provided they satisfy the overall eligibility conditions and specific eligibility conditions for those channels.

Eligibility Criteria:

Candidates must have passed Class XII (or equivalent) exam with science stream in 2022 or 2023 from any board recognized by Council of Boards of School Education in India COBSE.

Candidates must have taken at least three subjects among Biology, Chemistry, Mathematics and Physics during their Class XII (or equivalent) exam.

Application Process:

- The Candidate has to first "register" to receive the User ID and Password.
- Candidate will receive the User ID and Password on the registered email address and or on the registered mobile number.
- 3. After successful registration, candidate can login with the User ID and Password to complete the application form.
- Candidate must provide Name, Nationality, Mobile Number, Email Address and Test City correctly and carefully as these details cannot be changed once the Application is submitted.

Starting date for application **15 April 2023**

Last date for online submission **25 May 2023**

Exam Date **17 June 2023**
